

Mapping the Chinese Empire

Directions: China is a vast land with many different geographic regions. On your map of China, locate and label the items listed below. Use different-colored pencils to indicate the different land areas: mountains, river floodplains, arid plateau, steppe, desert.

Mountains	Bodies of Water	Regions	Cities
Himalayas	Pacific Ocean	Takla Makan Desert	Anyang
Kunlun	Yellow Sea	Gobi Desert	Chang'an (Xi'an)
Tien Shan	South China Sea	Mongolian Steppe	Luoyang
Altai	Yangzi River	Tibetan Plateau	Zhengzhou
	Huang He (Yellow) River		
	Xi River		

✦ Also, outline the Han Empire. ✦
